

## Project Title: [E-Commerce]

### 1. JS Validation:

The screenshot shows a web browser window with the address bar displaying "my-cara.netlify.app/register.html". The page has a header with the "Cara" logo and navigation links for "Home", "Login", and "Register". The main content is a "Create an Account" form. The form includes input fields for "Name" (containing "Aghara Mitul"), "Email" (containing "agharamitulgmail.com"), "Password", and "Confirm Password". A green "Register" button is at the bottom of the form. A JavaScript validation error message is displayed below the email field: "Please include an '@' in the email address. 'agharamitulgmail.com' is missing an '@'." The error message is in a white box with a red exclamation mark icon.

**Create an Account**

Aghara Mitul

agharamitul@gmail.com

.....

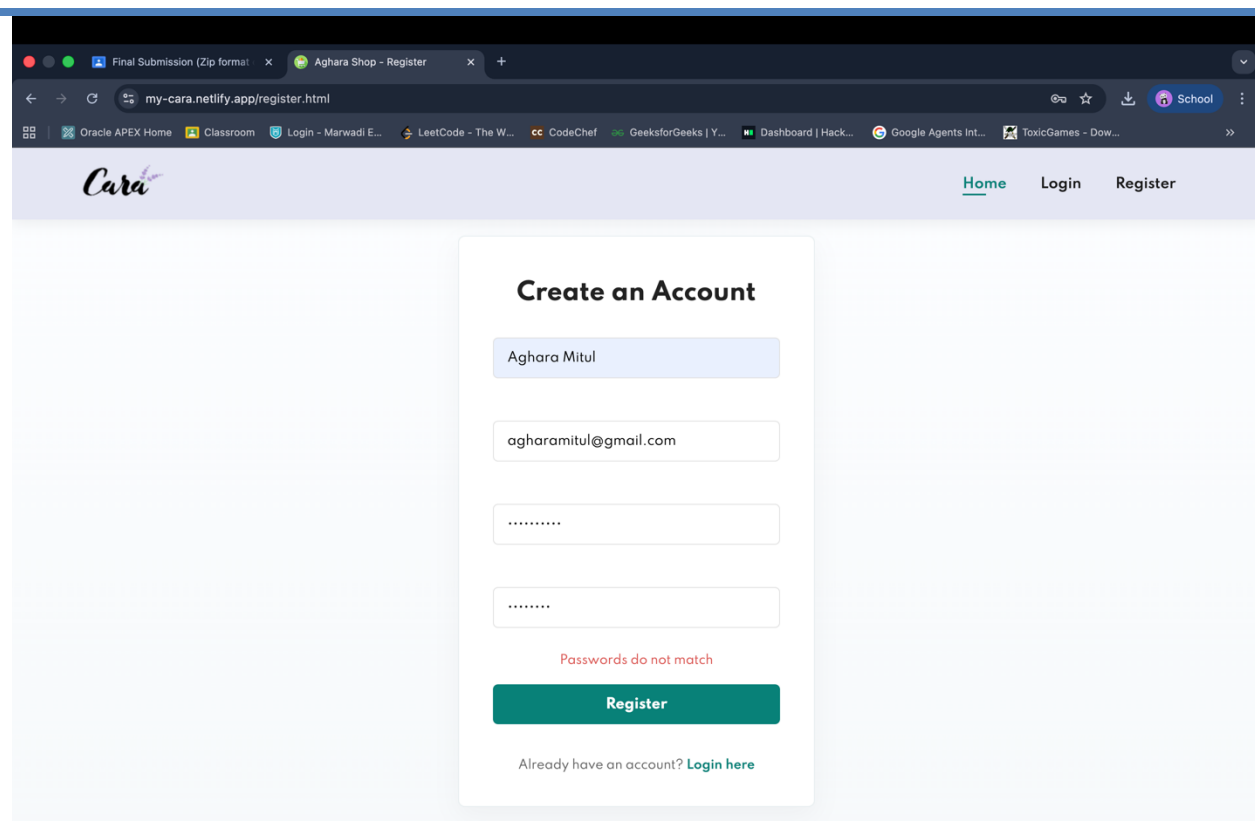

Password must be 8+ chars and include a number

.....

**Register**

Already have an account? [Login here](#)

*Fig 1.2 JS Validation Password must be 8+ Character*

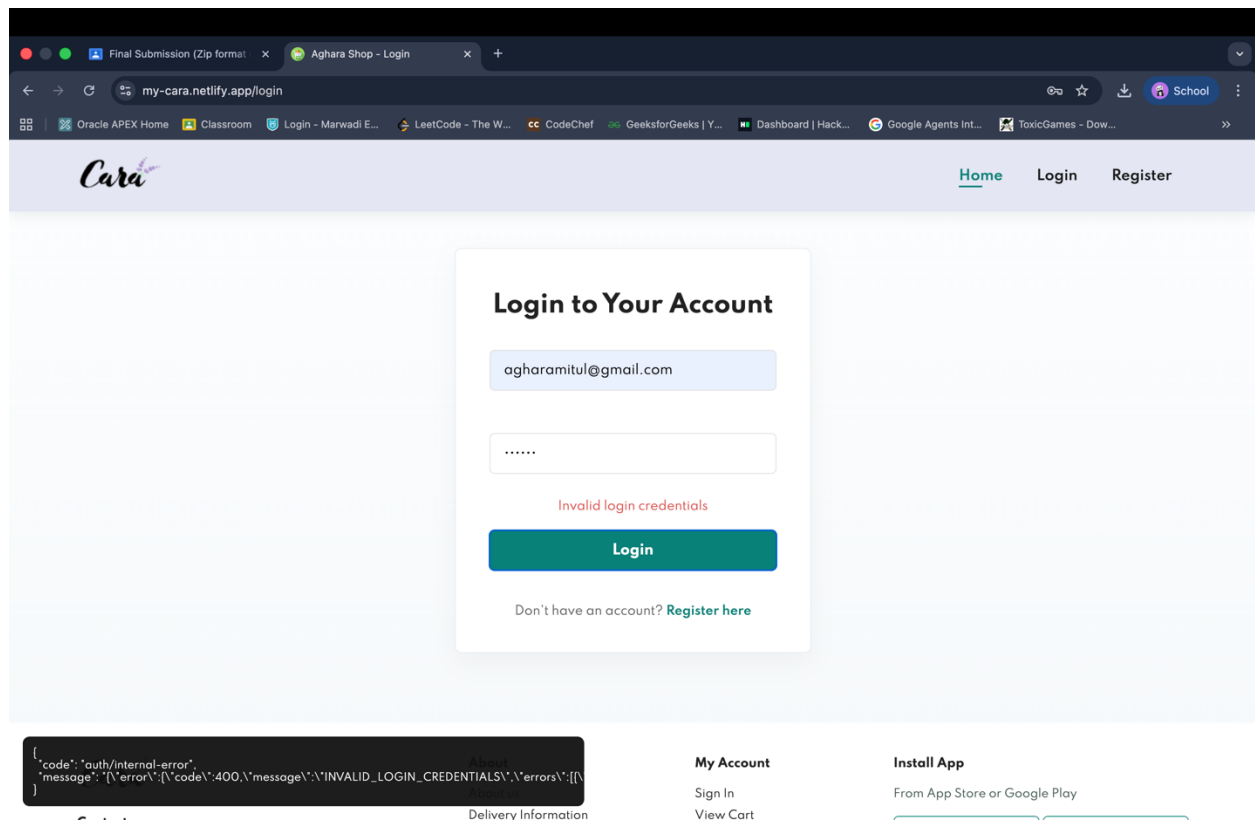

The screenshot shows a web browser window with the address bar displaying "my-cara.netlify.app/register.html". The browser's tab bar shows "Final Submission (Zip format)" and "Aghara Shop - Register". The browser's address bar also shows "my-cara.netlify.app/register.html". The browser's toolbar shows "Oracle APEX Home", "Classroom", "Login - Marwadi E...", "LeetCode - The W...", "CodeChef", "GeeksforGeeks | Y...", "Dashboard | Hack...", "Google Agents Int...", and "ToxicGames - Dow...". The browser's toolbar also shows "Home", "Login", and "Register". The browser's toolbar also shows "School". The browser's toolbar also shows "Home", "Login", and "Register". The browser's toolbar also shows "School".

The page displays a "Create an Account" form. The form fields are:

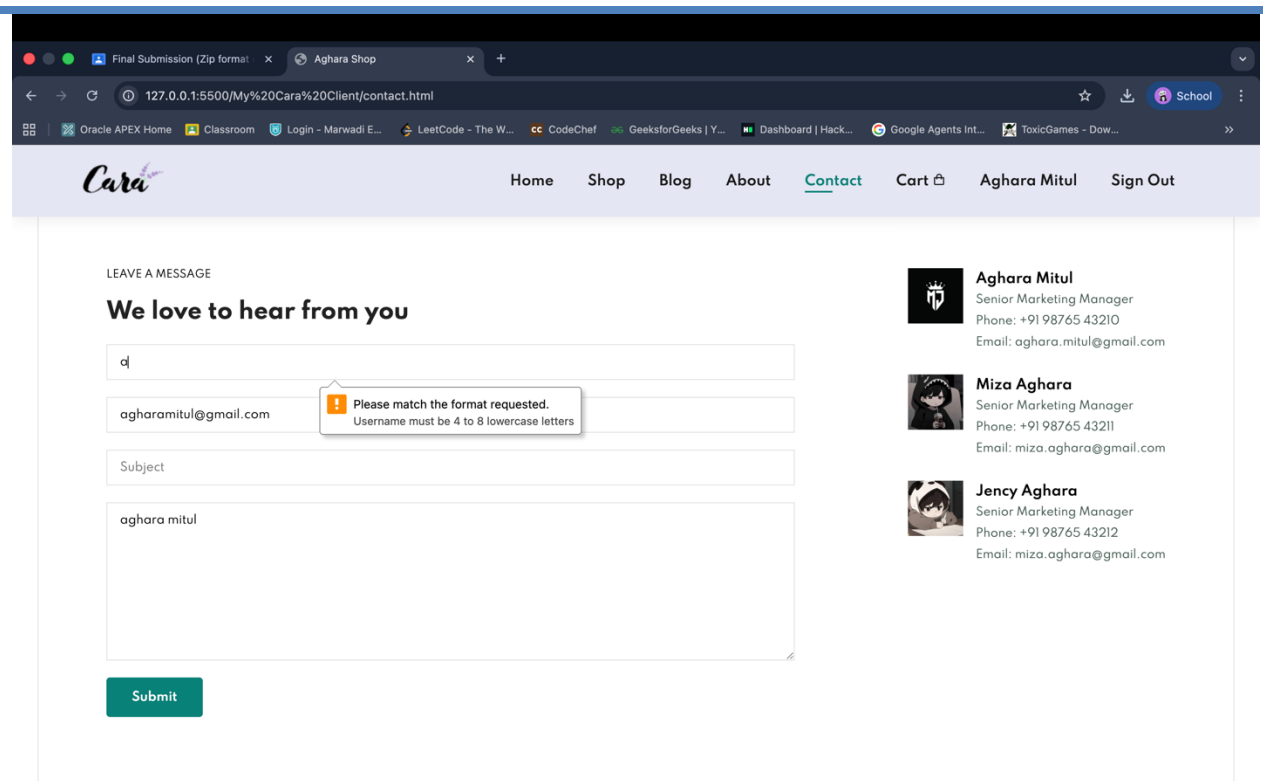

- Name: Aghara Mitul
- Email: agharamitul@gmail.com
- Password: (masked with dots)
- Confirm Password: (masked with dots)

A red error message "Passwords do not match" is displayed below the password fields. A green "Register" button is located below the error message. At the bottom of the form, there is a link: "Already have an account? [Login here](#)".

*Fig 1.3 JS Validation:Password Not Match*

*Fig 1.4 JS Validation:Invalid Login Credential*

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/My%20Cara%20Client/contact.html". The browser's tab bar shows "Final Submission (Zip format)" and "Aghara Shop". The website's header includes the "Cara" logo and navigation links: Home, Shop, Blog, About, Contact (highlighted), Cart, Aghara Mitul, and Sign Out. The main content area is titled "LEAVE A MESSAGE" and "We love to hear from you". It contains a contact form with three input fields: a name field with "a" entered, an email field with "agharamitul@gmail.com", and a subject field with "aghara mitul". A green "Submit" button is at the bottom of the form. A red error message box is overlaid on the email field, stating: "Please match the format requested. Username must be 4 to 8 lowercase letters". To the right of the form, there are three profile cards for "Aghara Mitul", "Miza Aghara", and "Jency Aghara", each with a profile picture, name, title "Senior Marketing Manager", phone number, and email address.
